SUMMARY

Florian has joined Tashko Pustina in 2008, and he is a partner with the firm. He has earned a master degree in European Studies at University of Geneva, Switzerland.

Florian has extensive experience of acting for financial institution in high profile financing projects both domestic and cross-border, as well as in securities and enforcement. Together with the managing partner Flonia Tashko they lead the litigation practice of the firm.

He is greatly appreciated by the clients of the firm in dealing with complicated litigation, data protection matters, contracts and commercial disputes, strategic employment issues, and shareholders' disputes.
